## LADIES & GENTLEMEN SHOW

In this dazzling show we are combining various theatre and music genres. A rich performance is hosted by the mysterious and sensual Nefer Nefer - the Red Cat's Muse. The cabaret guests witness swift and fluent exchanges of humour with passion, music with dance, history with the present. The once famous cosmopolitan ghost of old Bratislava is back!

## STUDIO 34 / PARTY SHOW

A wicked boogie woogie party show inspired by the greatest 70's hits and the famous Studio 54 in New York. How does it work? Well, Red Cat has got a thing for the 70's, so he created a live jukebox for himself and his guests with a playlist of 34 cool and funky songs. You are about to see unexpected choreographies, funny outfits and ridiculous versions of the greatest hits.

## MADE IN SLOVAKIA

THE ONLY SHOW ABOUT SLOVAKIA IN ENGLISH!

Fresh and funny cabaret roadtrip through our country. Highly recommended for foreign visitors. English girl Alice sets off on a trip by train. IC-train. From Bratislava to Košice. She meets an old fashioned Pressburger, a priest with a nun, a group of folklore musicians, the typical „kind“ waiter, and an untamed Gypsy on her journey... This fast flowing and witty show is an entertaining piece full of live folklore music, dance and a tiny bit of English humour. Alice in Wonderland?... Perhaps...

## I AM A WOMAN

AN AUTHENTIC TRANSEXUAL STORY

A unique cabaret performance inspired by an authentic life story of a Czech actress and singer is breaking the social tabu. It brings on stage an original piece of personal drama served with humour, irony and sincerity by the main protagonist and author of the play herself - Lucie Brychtova, a graduate from Janáček Academy of Music and Performing Arts in Brno. This mosaic of intimate, ironic, funny and touching episodes is an extraordinary experience of a person who was born in a wrong body but was courageous enough to fight for her identity.

THE STAGE IN RED CAT CABARET CLUB IS A SMALL BUT VERY GENEROUS SPACE. IT CAN HOLD A LOT.

APART FROM OUR ORIGINAL AUTHOR SHOWS WE OFFER OUR SPACE FOR ARTISTS WHO HAVE SOMETHING INTERESTING TO SAY AND EXPRESS IT BY MUSIC, WORD, DRAMA, POETRY, DANCE OR ANY OTHER CREATIVE AND AUTHENTIC WAY.

## BURLESQUE SHOW

Red Cat very often and very gladly invites beautiful ladies from Bratislava Burlesque to his cabaret stage. Probably because they always leave behind a somewhat amazed audience after the show. Their seductive and splendid performances are famed for their elegance, humour, quality music selection and attractive choreographies with a little touch of spice...

## MUSIC NIGHT

We present original musicians, composers and performers. Our frequent music guests are a group interpreting Argentinian music and tango, or an entertaining old school swing band combining archive songs with new features, but there is also jazz, soul, disco, and we are happy to hear punk, rock 'n roll, folk or opera.... Our cabaret club can take it all...

## COMEDY NIGHT

These are the nights when our cabaret stage and mike are saved for guests who can make us laugh and can share their wit and sense of humour. We've got a frog that has to say it all out loud... A snake that understands everything.... A human who can make his audience boil... Expect the unexpected!

## RED CAT NIGHT

Our special nights belong to special guests invited only very occasionally. Red Cat is fond of new and bizzare talents, he loves entertainment and he loves being accompanied by people who can surprise by their act and break the rules and genre limits.
