

Experience amazing Bratislava in a specialized Familiarisation trip

May 10, 2017

What better way to discover Bratislava as the perfect destination for events, congresses and conventions than with a Familiarisation trip, organized precisely to give the Hosted Buyers everything they've always wanted to know about Bratislava.

Bratislava Convention Bureau invites eventprofs with passion for incentives to experience the true Bratislava, get familiar with their wonderful city and its diverse MICE offer. With their wisely chosen partners, they will take Hosted Buyers you on a special journey and show them the hotel, automotive, fine and modern arts, river, off road experience and topped with culinary delights through dining and cooking experience, they will present the greatest city experience. All in all, a true experience of wonderful city of Bratislava to find out why it is growing MICE and tourist destination, providing you a perfect combination of innovation, accessibility and execution.
