Mr. Otto Josef Duranti with representatives of Bratislava Convention Bureau

The aim of the **Bratislava's Convention Bureau** was to improve its image as one of the best congress destinations in Europe and was, therefore, seeking a personal opinion of the meetings professionals. The feedback the Bureau received, will help to keep its beloved city in the race for international **MICE business** – thanks to you!

As the Bureau wants to thank you for your time, all planners who completed the survey were included into a draw to win a pretty amazing prize: a **"Bratislava Weekend Experience"** voucher, which includes two overnights in a double room of a five-star hotel, participation in the [pressburg.cuisine.experience Bratislava](#), taking part at the [citycenter.experience Bratislava](#), and return flights in/out Vienna or Bratislava.

Out of all surveys, the **winner** was drawn – **Mr. Otto Josef Duranti!**

Thank you all for your time and cooperation and we wish Mr. Duranti an enjoyable and relaxing visit to Bratislava! With no doubt, it will be exceptional!
