Bratislava CVB is organising a three-day ( 9th – 12th August) Familiarisation trip with a rich programme that will help you discover Bratislava at it's fullest. The capital of Slovakia will surprise you with its vibrant culture of innovation. The city is safe, easily navigable with an intimate atmosphere and perfectly meets the old town charm with contemporary urban style. You will discover the great tech and start-up eco-system, the best-in-breed manufacturing and execution. And last but not least, you will undoubtedly discover that Bratislava's highly developed MICE infrastructure.
